- A. Most recent transaction price
 - B. Market price for similar biological asset

C. Sector bench mark

D. Future value of expected net cash flows from the biological asset

4. Are the following statements true or false, according to IAS 41 Agriculture?

I. Ocean fishing is not an agricultural activity.

II. Fish in the ocean are biological assets

Statement I

Statement II

A. True

True

B. True

False

C. False

True

D. False

False

5. Pacific Company leased a building with adjoining land for 20 years. The fair value of the lease-held interests in the building and the land are respectively Br. 4,200,000 and Br.5,000,000. Title to the land is not expected to pass at the end of the lease term. What amount should be recognized in relation to the finance lease in the financial statement of Pacific Company?

A. \$9,200,000.00

C. \$4,200,000.00

B. \$5,000,000.00

D. \$800,000.00

6. Which of the following is an appropriate journal entry for initial recognition by a lessee of finance lease arrangement?

A. Debit: Leased Asset; Credit: Bank Loan

B. Debit: Leased asset; Credit: Lease Liability

C. Debit: Cash; Credit; Leased Asset

D. Debit: Leased Liability; Credit: Leased Asset

7. Queens' Company purchases 100 PCs in exchange for issuing 5,000 of its ordinary shares. The selling price for each PC is \$250.00, and the shares have par value of \$4.00 each. The journal entry to record receipt of the PCs in exchange for the issue of the ordinary shares is:

A. Equipment: Computer25,000
Ordinary Share Capital 25,000

B. Equipment: Computer20,000

Ordinary Share Capital 20,000
 C. Equipment: Computer25,000
 Ordinary Share Capital 20,000
 Share Premium Account 5,000
 D. Equipment: Computer20,000
 Ordinary Share Capital 10,000
 Share Premium Account 10,000

8. When does net operating loss occur?

- A. When tax deductible expense exceeds expense for book purpose
- B. When taxable revenue exceeds tax deductible expense for book purpose
- C. When tax deductible expense exceeds taxable revenue for tax purpose
- D. When taxable revenue exceeds tax deductible expense for tax purpose
